

Intercede for the Muslim World!

Some trust in chariots and some in horses, but we trust in the name of the Lord our God (Ps 20:7).

Today's Prayer Requests: *From Students, Alumni, and Missionaries*

THE GAMBIA: Among other requests for this nation, we recently prayed concerning the witness of the Bible school students and staff to those who own the mall where the school rents rooms. We *praise God* for the evidence of favor in two developments. First, the landlord recently added a sign for the training center to the mall sign, giving the center more visibility. Then, when two workers needed a place to live, the mall owner greatly reduced the rent on an apartment, saying he likes what they are doing. Please pray for continued favor and for open doors of witness.

Workers also ask us to pray:

- for the work of one of the students, who is reaching those of his former religion. He has begun a Friday-night fellowship, which is growing and will soon become a church.
- “for those who are coming to Christ in several places here!”

SENSITIVE COUNTRY: A student pastoring here shares these requests:

- Continue to pray for a Muslim lady who accepted the Lord and is being discipled. She and her two children are faithfully attending church. Before her conversion, she had left her husband. “Please pray that she reconnects with her family.... Now that she knows Jesus, we want her to be a light to them.”
- Pray for the Christian community in the area, where two churches, one Catholic and one Protestant, were closed on October 7 after receiving threats from jihadists. May the Lord encourage the believers and give them wisdom and grace.
- “Pray for a young man in the church who has a ministry of evangelism. He is doing well.” Pray that the Lord would use him to reach many in this difficult area.
- Pray for a new training program in the church “to teach the faithful to commit themselves more fully to the salvation of souls in our area.” May the Spirit give each one a burden for those around them, equip them with a knowledge of His Word, and empower them to speak.

TOGO: Because of ongoing conflict; people in several central, Muslim-dominated towns have fled into the bush. Pray that they would meet Jesus as they seek hope. Pray also for Assemblies of God and other pastors in these towns.

*From Global Initiative**

Pray for the approximately 20,000 Christians (not including secret believers from Muslim backgrounds) in **Libya**, a country mired in anarchy since Gaddafi was toppled in 2011. Libya's population of 6.5 million is predominantly Muslim. *All of the 16 indigenous people groups follow Islam. Pray that the few evangelical believers would have and seize opportunities to introduce them to Jesus.*
