

Intercede for the Muslim World!

*In him we have redemption through his blood, the forgiveness of our trespasses, according to the riches of his grace...
(Eph 1:7, ESV).*

Today's Prayer Requests: *From Students, Alumni, and Missionaries*

CAMEROON: Please pray for the Bible school in the north, which trains students to serve the unreached in the area. Since the director suffered a stroke a few years ago, the school has continued with interim directors. Pray

- that the Lord would raise up more workers for this vital ministry and enable them to attend this 3-year training program. Enrollment has slowly dropped over the years.
- for complete healing for the former director, a WAAST graduate. Pray for the current interim director, another graduate, as he must divide his time between this and other leadership responsibilities.

A student reports that over the last 3 weeks Cameroon's Muslim-dominated far north has seen more attacks by Boko Haram. Because of the unrest in the two English-speaking regions, most of the armed forces have been stationed there, and extremist groups are taking advantage of the lowered security. Pray for peace, and pray that the churches and believers in this area would have great opportunities to tell of Jesus' love.

TOGO: An alumnus asks us to pray concerning projects that would open doors of outreach in the Muslim-majority city where he pastors:

- for the construction of a dispensary to help the people and as a means of evangelism
- for a means of transportation to better do follow-up visits and evangelism activities
- for the establishment of a partnership with Compassion International, which would provide another platform for reaching Muslim children and families

Thank you for praying for the evangelistic outreach and launch of a new church in a southern village where animism and spirit worship predominate. An evangelism team visited people in their homes and showed films in the evenings. They prayed with some 50 people, both adults and children, to receive Christ. On Sunday morning, May 5, these people held their first service in the new tabernacle. The village chief participated, as well as several of his officials. One of these accepted Jesus and testified, "If our parents had known what we now know, we would not have been born into this darkness." He and others have been freed from their fear of the spirits!

Continue to pray for this new work. Pray for the effective discipleship of these new believers. Pray for a permanent pastor for the church; for the moment various workers from the mother church will share the pastoral duties.

A Muslim project is aggressively working to attract people in this area. Please pray that their projects will fail—not because people fear displeasing the spirits, but because they know that Jesus is the Way, the Truth, and the Life!
