

Intercede for the Muslim World!

You will keep in perfect peace those whose minds are steadfast, because they trust in you. Trust in the Lord forever, for the Lord, the Lord himself, is the Rock eternal (Is 26:3-4).

Today's Prayer Requests: *From Students, Alumni, and Missionaries*

GUINEA-CONAKRY: An alumnus working in this Muslim-majority nation has opened a kindergarten/primary school. The school just completed its first year, with 40 kindergartners, most of whom are from Muslim families. Four classrooms are being added to hold a second kindergarten class and a first-grade class, and more classes as a grade is added each year. This worker shares these prayer requests for the school and for the nation:

- Pray that construction is completed in time for the school to reopen in October.
- “Pray that God will give us good teachers who will positively influence the students, that through their teaching they will give good testimony to the children and parents of students.” The school particularly needs a male teacher for the first grade.
- The local Muslims likewise have a school and seek to discourage those who want to enroll their children in this school. Pray that the Lord would give favor and help this school to be a respected model for others.
- Thank God for the government approvals; pray that the rest of the paperwork may be completed with the Minister of Education.
- “Pray that God will continue to bless the mission in Guinea, more than 90 percent Muslim.... The persecutions are not over, but [Muslims] change methods to discourage Christians.” Pray for wisdom for workers and believers in this sensitive area, for favor in the communities, and for the salvation of many!

TOGO: A student who is coordinating the effort to translate the Bible into the language used by a predominately Muslim tribe, asks us to pray

- for the three couples on the translation team working in this very resistant area, that the Lord would protect them and their children;
- that God would bless their work and give them wisdom to produce a clear, accurate translation;
- for finances, as only two of the couples have full support;
- that the Lord would reveal himself to the people of this area, and that He would work in hearts, preparing them to receive His Word. Pray for divine opportunities for the translators to share Jesus' love as they interact with the people.

Praise report: The translation of the New Testament in the language of another strongly Muslim tribe has been completed and sent to a printer. A dedication/launching will be held in the months to come. **Pray** for the planning and that the Lord would use both this ceremony and His all-powerful Word to bring many of these people to himself.
