

## Intercede for the Muslim World!

*Hear my cry for mercy as I call to you for help, as I lift up my hands toward your Most Holy Place (Ps 28:2).*

### Today's Prayer Requests: *From Students, Alumni, and Missionaries*

**GHANA:** A student received a report from her husband, a pastor who also works with evangelism teams in the north, that during a recent medical outreach, 36 people accepted Jesus. They ask us to pray that these converts might be disciplined and grow in their new faith. Pray that the Lord would keep them from persecution from their families and communities, and use them to reach others with the Good News they have embraced.

A student whose family is still in Islam asks us to intercede for family members—his father, two stepmothers, and siblings—that they might come to Jesus.

**CAMEROON:** Cameroon's two English-speaking regions, the North-West and South-West Regions, have seen terrible political conflict over the past three years as some seek separation from the Republic of Cameroon and the establishment of an independent State. Some 90% of the people of these two regions claim Christianity, and some Muslims, particularly nomadic Fulani, also live here. Please pray

- for the families of victims of an attack by Fulani in a village in the North-West Region very early Sunday morning, August 24. A Bible translator was among seven people killed, and attackers cut off the arm of his wife. Please pray (1) for her healing and for the healing, physical and emotional, of others affected by the attack; and (2) for the salvation of the attackers. According to the leader of a community ministry here, “youth from the nomadic Fulani herding community are being encouraged by government actors to carry out attacks against local farming communities that support the separatist rebels.” See more at <https://tinyurl.com/aafung>.
- that the Lord would intervene in the ongoing conflict. For the fourth year now, most children in these regions are unable to attend school due to insecurity. Witchcraft is an integral part of this war. Pray that these demonic activities would be thwarted. Pray for God's protection over His people and their families.

### *In the News*

Please continue to pray for the well-being and release of Leah Sharibu, the schoolgirl captured by Boko Haram in February 2018. A video testimony given in July by another captive implied that Sharibu had been killed, but government authorities say that she is alive and that negotiations are continuing.
