

Intercede for the Muslim World!

I call on you, my God, for you will answer me; turn your ear to me and hear my prayer (Ps 17:6).

Today's Prayer Requests: *From Students, Alumni, and Workers*

THE GAMBIA: A worker in this small, Muslim-majority nation shares the following prayer requests:

- “Please pray with us for new communities where "Christ seekers" are beginning to gather and are begging for a church.... The problem is that we have no pastors ready to send and no funds to purchase land or build a building.... Two of the locations have 65 and 75 people meeting when a pastor can get there.” Pray for funds and pastors so that these churches may be established.
- Pray for the successful launch on February 7 of the church at the AG Bible school. Pray that God would raise up leaders who will lead church services in other locations, using the message from this main church and interpreting it into the local languages.
- Pray for strength for these workers, and for the soon arrival of other workers to join their team.

SENEGAL: Pray for the establishment of a Christian radio station in the northern part of this Muslim nation. An Assemblies of God school has taken the first steps to open this station. Pray for favor from authorities, the necessary funds, and God’s guidance in every aspect of the project.

*World Watch List 2021: Afghanistan (2/50)**

This mountainous, arid nation lies in Southern Asia, between Pakistan and Iran. Nearly all of Afghanistan’s 38 million people follow Islam. Taliban and Islamic State terrorists continue to disrupt the lives of civilians. The few Afghan believers keep their faith quiet and must meet secretly. Accepting Christ brings shame upon the clan, and those who are discovered must flee or face social rejection, psychiatric confinement, or death. Over the years, Christians working with humanitarian organizations in the country have been kidnapped, killed, and deported. Please pray

- that the Spirit would strengthen the followers of Jesus and protect them as they meet underground for mutual encouragement and discipleship;
- that Jesus would reveal himself to those who oppose Him, and show them His love;
- that radio and Internet programs that present the gospel and teach the Scriptures would draw many to the Truth and help to establish them in the faith.
