

Intercede for the Muslim World!

There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus. And if you are Christ's, then you are Abraham's offspring, heirs according to promise (Ga 3:28-29, ESV).

Today's Prayer Requests: *From Students, Alumni, and Workers*

SENSITIVE COUNTRY: Please intercede for a team of workers who met this week with government officials concerning reentry into this nation, registration for a church, and the restoration of properties that were confiscated some years ago. Pray for favor from the government so that they can move forward, and for the Spirit's wisdom as they relaunch the work here.

SENSITIVE COUNTRY: We recently prayed that a worker and his family would receive their residence permits. *Praise God*, they now have them in hand. Please continue to pray for them and the church they are serving in this Muslim-majority nation.

SENSITIVE COUNTRY: A team of workers is looking for housing in Muslim-dominated neighborhoods of a city in this nation. Pray that the Lord would lead them to the right houses or apartments, and prepare hearts in these neighborhoods to accept their friendship and their message of love.

*World Watch List 2021: Somalia (3/50)**

The government of this nation on the Horn of Africa considers all of its 16 million citizens to be Muslim and subject to *sharia* (Islamic law). Most of the country outside the larger cities is under the control of Islamic extremists, particularly al-Shabaab. The few who follow Christ are careful to do so secretly. Those who are discovered are imprisoned, forced into exile, disowned by family and clan, or killed. Please pray

- for God's protection on and encouragement for Somali believers in the country;
- that the many Somalis who live in non-restrictive nations in Africa, Europe, and North America would hear and embrace the gospel and have opportunities to share the Good News with their families;
- that many secret seekers and believers would learn of Jesus through ministries that provide online access to the Bible and Bible courses in the Somali language;
- that the Spirit would work in supernatural ways to draw terrorists to Jesus.
