

## Intercede for the Muslim World!

*Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus (Php 4:6-7).*

### Today's Prayer Requests and Praise Reports : *From Students, Alumni, and Workers*

**CAMEROON:** An alumnus in an English region of Cameroon writes: "I wish to request that we continue to pray for my country, Cameroon, in relation to the restive and escalating Anglophone Crisis in the North West and South West [Regions]." Separatist fighters are seeking to create a new nation, and since 2017 more than 3,000 people have died in this conflict. Recently separatists have been gaining support and arms from other, yet unknown groups, most likely from neighboring Nigeria, where Boko Haram and other terrorist groups are active. In an attack against government troops on September 16, separatists used new and more deadly tactics, including an improvised explosive device. **Please pray** for God's miraculous intervention in this situation, for the continued outreach of many WAAST alumni and students working at great risk in these regions, and for the salvation of many souls!

**MALI: Praise report:** Last week we prayed for an evangelistic campaign in a central region. The pastor reports: "Thank you for your prayers. The evangelistic campaign went well. There were 17 conversions, all children and teenagers. People came from various areas to ask us to pray for them. **Please pray** that these new converts would stand firm and that their parents would allow them to come to church. Pray also for those who came asking for prayer, that God in His grace would touch them and draw them to himself."

**THE GAMBIA: Praise report:** God is answering our prayers for more workers for this Muslim-majority nation, to help with the Bible school, church-planting, children, and more. Workers report that the team has grown from two to 12 adults, with another coming. "**Pray** for our growing evangelism and discipleship team...as we go through the process of becoming a team unified to reach The Gambia!"

Please pray for a lady who, after seeking help from both Islamic leaders and fetish priests, has come to pastors to find peace in her life. Pray for wisdom for those who guide her, and that the Lord would reveal himself to her as the Prince of Peace she is looking for.

**WEST AFRICA:** Across West Africa, schools have just opened or will soon be opening for the new school year. Among them are many Assemblies of God schools that serve children in predominately Muslim areas. Please pray

- that the hearts of the children would be open to receive the word of God as they study, and that they would influence their families;
- for the teachers, many of whom do this work at great personal sacrifice, that God would fill them with wisdom and meet their needs;
- that the Lord would meet the financial needs of the schools and of the families who send their children.
