

## Intercede for the Muslim World!

*My shield is God Most High, who saves the upright in heart (Ps 7:10).*

### .. Today's Prayer Requests: *From Students, Alumni, and Workers*

**GUINEA-CONAKRY:** The Assemblies of God Bible Institute here will be graduating 14 students on June 4. An alumnus writes: “As you know, Guinea is dominated by Islam, and these young servants will be assigned to different regions of the country. Currently the Assemblies of God of Guinea are in the process of planting churches. Please pray

- “that these young people would be filled with the Holy Spirit to serve;
- “that God would give them wisdom to bear abundant fruit and that souls would be saved through their ministry;
- “that they would be church planters wherever they are sent;
- “for the institute and all its staff, that the Lord would use them still more to effectively train God's servants.”

**MALI:** The Bambara-language Assemblies of God Bible institute here, directed by a WAAST alumnus, is holding its graduation ceremony on May 28 for three students, plus two from a sister school. The director asks us to pray for this ceremony and for these graduates as they begin their ministries in this predominately Muslim land. Pray especially that the Lord would call more into His service and enable them to receive the Bible school training they need.

**SENEGAL:** Intercede for a team of workers who are in the country for a short time to help with church construction. The container of steel tabernacles that they were to place on various sites has been held up, and some conflicts over property has delayed their work. A host worker asks us to pray

- for the miraculous release of the container;
- that God would thwart the Enemy's attempts to stop the progress in various ways, and that He would touch the hearts of those who would hinder this construction of these churches;
- for strength as the workers dig and sink the footings by hand, and for encouragement despite the obstacles;
- for the team's safety as they travel to 12 sites.

**TOGO: Praise report:** A student pastoring in the north shares this recent story of deliverance: A Muslim lady was deeply involved in sorcery and was demon possessed, causing her frightened relatives and children to abandon her. She listened to programs broadcast on the local Divine Grace Radio station and sought help from the pastor. “Today by the grace of the Lord Jesus she is free. Glory to God!” She is being disciplined and is slowly rebuilding her relationship with her family. Pray for her spiritual growth, renewed relationships, and the salvation of her family.

**Prayer request:** This student also asks us to pray for the groups of Muslim men and women who come asking for prayer. Some come from others towns, not wanting their community to know what they are seeking. As they cannot openly attend Sunday services, there are meetings for them at other times of the week. Pray that many will find the answers or healings they are seeking, and that God would open their eyes to their much deeper needs of forgiveness, salvation, and a relationship with Jesus.
