Intercede for the Muslim World!

All the ends of the earth will remember and turn to the LORD, and all the families of the nations will bow down before him (Ps 22.27),

Today's Prayer Requests: *From Workers*

SENSITIVE COUNTRY: A worker shares the following information and prayer requests for the country in which he serves. "Generally the region—along with neighbors in this zone—has become more unstable, uncertain, and volatile" due to jihadist activity, he explains. Let's intercede with him for this nation.

- "There are multiple refugee camps in the capital, outside the capital, and huge camps near the war-torn border zone The government wants to help, but its capacity is being overwhelmed." ***Pray that the Lord would provide resources to care for these refugees, and that government leaders would act with wisdom and integrity as they seek to help.***
- "There's been a significant increase in kidnappings and carjackings near the [church] headquarters in [one corner of the nation] and in remote areas throughout the country. Several pastors and their children have been attacked and taken. Some have been returned to their families." ***Pray that God would supernaturally protect these pastors and families; for spiritual, emotional, and physical support and encouragement as they serve; and that those in captivity would be released.***

TOGO: A worker in southern Togo asks us to pray for a church plant and new projects he is seeking to implement over the next few weeks and months. As a former Muslim himself, from a country in the Sahel, he is keen to reach the Muslims as well as animists and others in the area. Please pray:

- that the new tabernacle structure and roof for the church may be erected by the end of May and that the evangelistic outreach planned for May 30 and 31 would bear fruit;
- for favor in the community as this worker and his family build relationships with the people, and particularly with their Muslim neighbor next door;
- that the Holy Spirit would guide them in their plans to offer tutoring and courses for schoolchildren during the upcoming vacation months, so that the church can bless and reach the children;
- that God would open doors to reach women through this worker's wife, a weaver and seamstress, who hopes to offer training to interested women.
