Intercede for the Muslim World!

“Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth” (Ps 46:10).

Today’s Prayer Requests: *From Workers*

SENEGAL: Pray for Casamance, a region of Senegal that lies south of The Gambia and that is home to 1.5 million people. Most people of the three dominant ethnic groups—Dioula, Fulani, and Mandinka—follow Islam. Others claim Christianity (mainly Roman Catholic), others are animists. and many mix traditional practices with their primary religion. A worker shares these prayer requests:

- Pray for new workers as they move to Casamance soon to train pastors and lay workers and to help with evangelization and growth of the few established Pentecostal churches.
- Pray for a local pastor who is currently planting a church in a Muslim/Catholic town; “[s]pecial efforts are being made . . . to help the Church in that area become more firmly established.”
- “Pray for the less-reached peoples in Casamance who [...] are part of the large Mandinka group. May the light of the gospel shine among the nations!”

SENSITIVE COUNTRY: About ten workers were slated to enter this nation over the next few weeks and months to live and work among the primarily Muslim population. However, they are now unable to obtain visas. Please pray that the Lord would intervene in this situation and open the way for them to come.

SENSITIVE COUNTRY: In a nation that is officially 100% Muslim, the few Christians have been experiencing a fresh wave of persecution over the past couple of months. A worker asks us to pray

- that the Holy Spirit would fill the hearts of His people with peace and give them the boldness and wisdom they need to live out and discretely share their faith;
- for a team of local workers who focus on reaching children and youth, that the Lord would open doors for them and protect them and the young people who respond;
- for an online ministry that guides young people to Jesus and discipless them. This ministry has made contact with some 1,500 youth, of whom about 800 have indicated they have accepted the gift of salvation. Pray they would grow in their faith and shine the Light among their people.
