## Intercede for the Muslim World!

*Who will not fear you, Lord, and bring glory to your name? For you alone are holy. All nations will come and worship before you, for your righteous acts have been revealed (Rev 15:4).*

### Today's Prayer Requests: *From Workers*

**DR CONGO:** A worker traveled this week to a certain city here to give a seminar on Islam to church leaders and members. In this part of the country, he notes, "there is a strong Islamic presence.... Christians and Muslims live together in these regions, often side by side. This year, a national Islamic leader residing in the area came to faith in Christ and was baptized. Despite facing severe persecution and hardship, he is growing steadily in his walk with the Lord. He is one of the attendees of the current gathering." This worker asks us to pray for the following requests :

- "Pray for the program, which aims to equip the churches to share the love of Christ more effectively with Muslim neighbors. Pray that the churches would be strategically organized to lovingly and wisely welcome new believers from a Muslim background.
- "Lift up both the plenary sessions, which are open to all, and the sessions specifically designed for church leaders. Pray for God's protection, as well as for divine wisdom in every teaching and interaction.
- "Pray for more laborers willing to leave everything behind to present the gospel to unreached communities [in this region]."

**SENSITIVE COUNTRY:** Recently, a Muslim-background believer, a leader in a ministry to his people, went into hiding after receiving death threats. After a time, he determined to meet with his opponents face to face, and asked Christian friends to pray for him. Praise God, he was able to present a strong testimony about Jesus to these radical, influential Muslims. They listened and made no attempt to harm him, but let him return to his city and ministry! Pray for the Lord's continued protection over this brother. Pray that the Spirit would use his words and even miraculous revelations to bring these men to Jesus.

**TOGO:** Please pray for two believers belonging to a strongly Muslim people group that has long resisted the gospel. One was an influential leader who studied in North Africa before he met and accepted Jesus. He led the second brother to the Lord. Both have seen their wife and children taken from them and face outright rejection from their community. Let's intercede for them and for their people.

- Pray that the Holy Spirit would draw their wives and children—and other family members—to Jesus and restore these families.
- The first man has recently written two books specifically to "enlighten" his people about Islam and to point them to the true God. They have been published elsewhere. and he is now working to get them shipped into Togo. Pray that these books may arrive and have a great impact on influential people in his region.
- The Bible is currently being translated into the language of this people group. Pray for the team working on this project. Pray that the Holy Spirit would prepare hearts and minds to receive God's Word with joy.
