

Jumaa Prayer

for the Muslims of Africa and beyond

February 27, 2026

Intercede for the Muslim World!

Let the heavens rejoice, let the earth be glad; let them say among the nations, "The LORD reigns!" (1Ch 16:31).

Today's Prayer Requests: *From Workers*

CHAD / SUDAN: Since the beginning in April 2023 of Sudan's conflict between two military factions—the Sudanese army and the Rapid Support Forces (RSF)—more than 914,000 Sudanese have sought refuge in Chad, its western neighbor. The RSF now controls the vast western region of Darfur, and incursions into Chad have become more frequent. On Saturday, February 21, fighting between RSF troops and locals supporting the Sudanese army broke out in a border town, killing five soldiers and three civilians. On February 23, the Chadian government closed its 1,400-kilometer (870-mile)-long border with Sudan, citing the need to protect its own territory and citizens. Let's pray.

- Pray for those displaced in western Sudan, who no longer have the option to flee to Chad.
- Chad has been used as a humanitarian corridor to get desperately needed aid into Sudan. Pray that the Lord would make a way for goods and food to reach people and for His protection on those delivering them.
- Pray that Sudanese Muslims in Chad would come into contact with Christ-followers who can explain to them the way of salvation and eternal life.

TOGO : Please pray for two projects whose ultimate goal is to reach Muslims and disciple those who seek to know Jesus:

- A team is currently ministering in four villages, visiting homes and holding outdoor meetings as well as seminars for those interested in following Jesus. Pray that the Holy Spirit would arrange divine encounters and work in the hearts of individuals, families, and village authorities. Pray for the safety and health of the team, and that the Lord would remove any obstacle the Enemy sets in their way.
- A seminar will be offered next week "for those who work or are called to work among our 'cousins,'" with the theme: "Making the unreached converts into true disciples, leading them to Christian maturity." According to the organizer, this seminar aims to "train trainers who in turn will train others in their various denominations." Please pray that the Spirit would anoint the teachers and that the participants would leave better equipped and with a fresh burden and determination to reach their unreached neighbors.

In the News: New York City

Since 2023, the Islamic call to prayer at dawn has been amplified across several boroughs of New York City. Now, under the city's newly elected Muslim mayor, mosques may now amplify all five daily calls, with no noise restrictions. Nearly 1 million of the city's 8.3 million people are Muslims, and many are becoming more politically active and vocal about the supremacy of their faith. Pray for the Muslims of New York City, for its new mayor and several new Muslim appointees in his government. Pray that they would have a revelation of Jesus. Pray that believers in this city would pray for and reach out in love to Muslim neighbors.
