

Jumaa Prayer

for the Muslims of Africa and beyond

May 29, 2026

Intercede for the Muslim World!

But God demonstrates his own love for us in this: While we were still sinners, Christ died for us (Ro 5:8),

Today's Prayer Requests: *From Workers*

CAMEROON: A worker in this very diverse Central African nation—home to some 300 people groups—asks us to pray for the efforts of a Pentecostal denomination to reach three groups in the north this year. Churches in various regions are focusing on one group, the Men's Ministry and Youth Ministry on another, and the Children's Ministry on the third.

- Pray that these churches, men, and youth (and the women!) would enthusiastically engage in these endeavors, give themselves to prayer, and be moved by an every-growing burden for those not yet reached.
- Pray that God would work mightily through the children to reach other kids. The worker, who is normally involved in the annual kids camps, reports, "Because we are going to be working with this people this year . . . we have not planned a children's camp but we intend to involve children in the reaching of the unreached people group."
- In these effort, says this worker, "we need prayers for ease, men of peace, access to the people, and resources (both human and financial)." May Jehovah Jireh meet every need!

DR CONGO: Please pray for the students and visiting teachers at a Bible school in eastern DRC, as they study Islam and consider how to reach its followers. The course ends on Friday, and on Saturday (May 30) the class will apply what they have learned, doing two outreaches. Pray that the Holy Spirit would fill these students with His wisdom as they interact with those He leads them to, and that He would prepare the hearts of these people to receive His Word.

In northeastern DRC, an outbreak of a rare strain of Ebola has caused the death of an estimated 220 people. Ongoing clashes with rebel groups and Muslim terrorists in the same area continue to displace people, making it more difficult to contain the spread. Some 1,000 people are showing Ebola-like symptoms, and thousands more likely contacts are being sought. Please pray

- for God's intervention to stop this plague, for healing for victims, protection and resources for the health workers, and comfort for those bereaved;
- for a ceasefire and end to the attacks perpetrated by the Islamic State-allied ADF;
- for the churches and believers in the stricken area, that the Lord would encourage and use them to share the message of eternal hope and life in Jesus.
