

Jumaa Prayer

for the Muslims of Africa and beyond

June 26, 2026

Intercede for the Muslim World!

Look to the LORD and his strength; seek his face always (1Ch 16:11).

Today's Prayer Requests: *From Workers*

CAMEROON: A worker asks us to pray that the Lord would raise up people willing to serve in an area that is considered the Islamic epicenter of this diverse Central African nation. Teams of workers are needed to focus on two particular groups: the Fulani people of the area, and students in the main city's university. As we pray for these teams of workers to be established, please pray also that God would prepare hearts to receive the gospel and to serve alongside them.

- Most of the Fulani in the area are Muslim herdsmen who do not mix with other people groups and have been very closed to the gospel. Pray for a spiritual breakthrough among these resistant people, and that many would begin to thirst for and seek the truth.
- The local university counts some 30,000 students from Cameroon and surrounding nations, many of them Muslims. Pray for believers studying at the university, that the Lord would give them opportunities to share with fellow students and prepare them to help others who come to minister on this campus.

SUDAN/EGYPT: The nation of Sudan, in East Africa, has seen one third of its population displaced as civil war rages on. Some 1.5 million Sudanese have fled to Egypt, a great number of them settling in Cairo. Among these refugees are pastors, and they and other Sudanese believers are sharing the gospel with their countrymen. Praise God for this opportunity to witness more freely despite the terrible circumstances that have brought these people together! Please pray

- that entire families would come to the Lord together;
- that many would be discipled and grounded in their faith, and mightily used to bring others into the Kingdom;
- that many deeply traumatized people would find healing as they come to know their loving, compassionate Father. Pray for wisdom for those who are working with victims of trauma.

THE SAHEL: Intercede for the nations in Africa's Sahel Region, which continue to suffer jihadist attacks as Islam seeks to dominate their lands and governments. Intercede especially for the churches. Just when people most need hope, says one worker, churches in some of these nations are experiencing great division and conflict within themselves. "This is the work of the Enemy," he asserts. Pray that Satan's plans would be thwarted, that God would be glorified, and that His Church will work in unity and love.
