

Jumaa Prayer

for the Muslims of Africa and beyond

July 10, 2026

Intercede for the Muslim World!

Surely the righteous will praise your name, and the upright will live in your presence (Ps 140:13).

Today's Prayer Requests: *From Workers*

MALI: Two months after their first coordinated attacks, this past weekend the Islamic terrorist group JNIM and the separatist Azawad Liberation Front (FLA) attacked several northern and central towns, as well as a prison some 50 miles from the capital city. Formerly enemies, these two groups have allied to dominate Mali's junta government and their Russian Africa Corps partners. Pray that the Holy Spirit would intervene in the lives of jihadists, for His glory.

SENEGAL: Last week a worker held a seminar for 37 key church leaders from Senegal and five other nations concerning reaching their Muslim compatriots. He shares these prayer requests for outreach in Senegal:

- “Pray that God would raise up Spirit-filled workers to proclaim the gospel among the Wolof [39% of the population, less than 1% Christian], Fulani [27%, less than 1% Christian], Mandinka [5%, less than 1% Christian], and other unreached peoples.
- “Pray that churches would embrace biblically grounded, culturally appropriate, and courageous strategies for engaging Muslim communities with the love and truth of Christ.” Many churches are hesitant to reach them.
- Despite being predominately Muslim, Senegal is a secular state that guarantees freedom of worship. “Pray that national and religious leaders will continue to safeguard religious freedom, social peace, and constructive interfaith relations,” allowing churches and workers to minister freely.
- Pray that the Holy Spirit would raise up indigenous disciple-makers and disciple-making movements that will result in healthy, missional churches planted among every ethnic group throughout Senegal.

USA: On July 4, the United States of America celebrated 250 years of independence. In 1776, the land was home to some 2.5 million people, including the European settlers' African slaves, many of whom were Muslims. Over the years, Muslim migrants from around the world have settled in the US, seeking work or education, or fleeing economic collapse or war in their own land. Today Muslims number 4.5 million, about 1.3% of the population. Pray for them!

Some sources note 4,500+

- Thousands of recent migrants come from nations where the gospel message is prohibited—but they can hear it freely in the US! Pray that God would use His people to befriend and share Him with their Muslim neighbors.
- Muslims are increasingly active in politics. The first Muslim was elected to US Congress in 2007; currently four Muslims are serving, and seven are running for new seats or reelection. Muslims have a growing influence in state and local governments, on school boards, and in courtrooms. Some openly promote a move toward sharia (Islamic law), causing conflict in some communities. May the Lord guide government leaders and citizens in considering the implications of this influence.
- Pray for inroads into tightly knit Muslim communities, especially through believing members of those communities, and for God's protection over those who face opposition from family and friends.
