## Intercede for the Muslim World!

*Let all the earth fear the LORD; let all the inhabitants of the world stand in awe of him! (Ps 33:8, ESV)*

### Today's Prayer Requests: *From Workers*

**EGYPT:** Pray for a worker who is receiving threats because of his activities discipling and baptizing people who have chosen to leave Islam to follow Jesus. Pray that God would protect and strengthen this worker, and give wisdom and boldness to these new converts, that they might share their faith with their families and communities.

**LIBERIA:** *Praise God* for the launch of a new center to train Liberian believers who are responding to God's call to cross-cultural ministry. Ten students began the first course this past Monday, with five more expected to join them this weekend. Workers from Liberia, Romania, and the US are involved in teaching this first cohort. *Please pray* that the Lord would bring in many more students and teachers, and direct the students to the people groups He is preparing them to reach. The director of the center says, "I am trusting the Lord that a good number of our students will be ready for ministry in our neighboring Muslim-dominated countries."

**TOGO:** A church in the capital city is preparing to plant three churches in the northernmost region of the country, where Islamic influence is strong and growing. A leader in the church explains, "We will purchase land in these three locations; our outreach team will go there to conduct campaigns; we will set up open-air stages equipped with benches and basic equipment at each location; and we will entrust the works to local church leaders, whom we will support for a time. Please pray for us." Pray that the Lord would bless and guide each step, provide the finances and personnel needed, and give the team favor with the authorities and people of these communities. Pray especially that the Holy Spirit would work in the hearts of the villagers, preparing them to receive the Good New with joy.

**WEST AFRICA:** Throughout West Africa schoolchildren are beginning a new school year, this coming Monday in some nations, and in the upcoming weeks in others. In many of these nations, Assemblies of God churches operate primary schools and even junior high and high schools. These schools are greatly appreciated for their high academic standard and their positive influence in the communities—and many are filled with students from Muslim families. Let's pray for a blessed and fruitful school year!

- Pray that the Lord would provide school fees for needy children, as many families struggle to meet even their basic daily needs. Pray that He would meet the needs of the teachers and staff, many of whom serve faithfully in this ministry to children with little remuneration.
- Pray for the security of these schools, especially those in areas threatened by jihadist activity.
- Pray that many young students would come to know and love Jesus and that they would flourish academically, emotionally, and spiritually.
