

# Jumaa Prayer

for the Muslims of Africa and beyond

October 30, 2026

## Intercede for the Muslim World!

*But from everlasting to everlasting the Lord's love is with those who fear him, and their righteousness with the children's children—with those who keep his covenant and remember to obey his precepts (Ps 103:17-18).*

### Today's Prayer Requests: *From Workers*

**AFGHANISTAN:** On October 24, Mozhd TV, the first Christian television station created by Afghans for Afghans broadcast its first program. This satellite station reaches Afghans within the nation and in the diaspora with the good news of salvation through Jesus, with programs in Dari and Pashto, Afghanistan's official languages. Seekers can connect around the clock with a pastoral and prayer team for prayer and counsel. The director notes, "Almost everyone [in Afghanistan] has a television and satellite dish at their house ... the Taliban controls the country, but they cannot control the satellites." Praise God for this new station, and please pray

- that many spiritually hungry Afghans would access these programs on TV or through the phone app, and find in Jesus the hope they are seeking;
- for God's protection over those operating this station and those who access it at the risk of persecution from their families and government;
- that many members of the Taliban would be reached through these programs.

**LITHUANIA:** Most of the 2.8 million people in the Balkan nation of Lithuania identify as Roman Catholic, though most are "cultural" Catholics; only an estimated 1.4% are evangelical believers. In recent years, more Muslims, most from other former Soviet republics, have come to Lithuania for university studies. A worker in one city reports that some of these Muslims have accepted invitations to visit the local church—and have accepted Jesus as their Savior! She asks us to pray for these students as they graduate and return to their home countries, where they will most likely face opposition from their families and communities. Pray that they would be well disciplined and prepared to take the life-changing message of salvation back home, and that the Holy Spirit would prepare hearts there to receive it.

**WEST AFRICA:** For several years we have prayed for an ongoing project to translate a series of Bible school textbooks into the Hausa language to provide Hausa workers and churches with solid theological training. The Hausa people form the largest ethnic group in Africa—some 86 million—and more than 98% follow Islam. A worker reports: "God is moving! The first of these books is now ready to be printed, and we are praying that all 24 will be complete by May 2027. God has had a plan for these books and they are coming to completion!" She asks for prayer for an upcoming trip where, she says, "We will celebrate with our translators and our dear family in Christ as these books begin going to Hausa believers and Hausa Bible Schools across Nigeria, Niger and West Africa."
