

Intercede for the Muslim World!

Devote yourselves to prayer, being watchful and thankful (Col 4:2).

Today's Prayer Requests: *From Workers*

SENSITIVE COUNTRY: In a Muslim-majority nation in Africa, believers and workers are facing greater restrictions on living out their faith. Some workers are making plans to reach out through social media, and the Bible (which people are banned from owning) is available digitally in the various languages spoken in this nation. However, the government is considering banning the use of social media for anyone under 16. Please pray

- that the Holy Spirit would give workers wisdom and creative strategies to discretely interact with seekers, including children and youth;
- that the Lord would encourage and protect those who have chosen to follow Him at the risk of ostracism, arrest, and even execution;
- for God-ordained opportunities for expatriate believers working in this nation to share their faith with seekers.

SIERRA LEONE: A worker leading a church in a northern town asks for our prayers. Muslim traders and scholars brought their religion to this area 300 years ago, and for generations the people groups here have followed Islam. Traditional beliefs in sorcery and ancestor worship greatly influence their daily life and customs as well.

- Pray concerning "the spirit of deception that has its roots in this part of the country." Pray that many people in the area would have a divine encounter with Jesus, that their eyes may be opened to the Truth.
- Recently townspeople have told their children not to go to the church, including children who had been coming each week. Pray that the Lord would soften the hearts of these parents and allow their children to attend, and that these children would find Jesus and share Him with their families.
- This worker meets weekly with several other pastors to intercede for this region. "It is only prayer that has kept us here," she says. Pray that the Holy Spirit would encourage each of them and that they would see fruit for their labors.

SOUTH SUDAN: On November 15, two pastors and several congregants, all refugees from Sudan, were attacked during a church service in the Gorom Refugee Camp in South Sudan. These pastors and others had received death threats from "Muslim extremists in the camp" over the past few months; one pastor was shot in the leg in May 2025 and lost part of an ear in this attack. Please pray for these brothers and sisters.

- Pray that God would strengthen and encourage these believers, most of whom left Islam and are rejected by family at home in Sudan and by the Muslim-majority population in the camp where they have sought refuge.
- Pray that Jesus would reveal himself to the assailants, and that they would return to the church, not to carry out their threats, but to join them in worship!
- Pray that God would honor this injured pastor's assertion of faith: "We trust him to heal our wounds, protect his people, turn this suffering into a testimony of his grace."
